2. Declaration of the manufacturer / applicant

I have not submitted any application for supervised product testing at arbitrary intervals according to the Regulation (EU) 2016/425 of the European Parliament and of the Council on personal protective equipment and repealing Council Directive 89/686/EEC, Annex VII (Module C2) to another notified body.

3.   Identification of the product (as stated in the EU type examination certificate)

4.   In case that the EU type examination has been performed by another notified body, I attach to the application:

☐   technical documentation - as stated in the Annex III of the Regulation (EU) 2016/425 of the European Parliament and of the Council on personal protective equipment and repealing Council Directive 89/686/EEC;

☐   a copy of the EU type examination certificate.

5.   Obligations of the manufacturer/ applicant

After agreeing on the date and place of taking a statistical sample of the manufactured PPE with the Notified Body, enable sampling and/or take samples according to the instructions of the Notified Body and deliver them to the Notified Body on the agreed date. (The Notified Body reserves the right to inspect the delivered samples of the product type).

Ensure cooperation with the Notified Body on the supervision.

6.   Business and legal relations

Business and legal relations will be settled in an independent agreement, concluded according to § 591 and subsequent paragraphs of the Trade Code, linking up to this application.
The Notified Body will start to carry out the ordered works only after conclusion of an agreement and remittance of a pro-forma invoice.

I r e q u i r e* – I d o   n o t   r e q u i r e* to return sample rests after testing.
